Charlie & the Chocolate Factory

Year 3 put on a fantastic performance of 'Charlie and the Chocolate Factory'! The children worked incredibly hard learning their lines, songs and choreography, bringing the much-loved story of Willy Wonka and his magical chocolate factory to life. It was wonderful to see the children performing with such confidence and enthusiasm, showcasing their acting and singing talents, while thoroughly enjoying the opportunity to perform in front of an audience. We are extremely proud of all their hard work, dedication and the brilliant performances they delivered!

Supporting 'Children in Need'

There was lots of fun and excitement at Chapel Hill as the children enjoyed dressing up to support 'Children in Need'! The children loved tucking into the delicious cakes and treats on sale. A big thank-you to all the parents, carers and staff who so kindly donated cakes and helped make the day such a great success. Your generosity is very much appreciated and helped the school to raise money for this very worthwhile charity!

Creative Writing News

We have some exciting news from our KS2 Creative Writing Club! The children are very happy to share that some of their work has been selected to be published in the 'Young Writers World of Wonder book'! This is the first time that children at Chapel Hill will have their work published in a physical book and we cannot wait for them to arrive! We are so proud of each of the children that entered and their hard work creating some wonderful poems.

'Sounds Sweet' Phonics After School Club

The children are really enjoying our 'Sounds Sweet' Phonics After-School Club! Through a range of fun activities, exciting games, and interactive learning experiences, the children are developing their phonics skills while having lots of fun at the same time. It's wonderful to see their enthusiasm and confidence grow each week as they learn new sounds, practise reading, and take part in engaging challenges.

Computer Art

Class 3 have been putting their art skills to great use on the computers! After carefully studying their own features, the children used technology to create some fantastic self-portraits. They showed great creativity and attention to detail, and the finished artwork is truly impressive. Well-done, Class 3!

Year 5 English Lessons

Inspired by the classic poem 'The Highwayman', Year Five wrote their own poems based upon the story, using a mixture of poetic techniques such as repetition and onomatopoeia, as well as figurative language including metaphors and personification. The children then performed it to the year group, focusing on the rhythm within each stanza, as well as projecting their voices with clarity.
