

Introducing Chapel Hill's New School Parliament!

I am delighted to introduce the newly elected members of Chapel Hill's School Parliament! Two representatives from each class have been elected by their peers to ensure that every pupil has a voice. Our School Parliament will listen to the views and ideas of other children, sharing them at our meetings and work together to help shape decisions, school policies and future improvements.

Dear 5 Rise to the Challenge in Danbury!

Year 5 had an incredible four days in Danbury during their residential trip, packed with adventure, challenge and plenty of laughter! From climbing and zip wiring to canoeing, the children embraced every opportunity to challenge themselves and step outside their comfort zones. It was fantastic to see the children encouraging one another, working as a team and celebrating each other's successes. Throughout the week, their confidence, resilience and independence blossomed. Whether managing their own belongings and routines, trying something new or simply being away from home, the children rose to every challenge with enthusiasm and determination.

We are incredibly proud of how brilliantly Chapel Hill's Year 5 children conducted themselves and of the wonderful memories they have created together. What an adventure!
