

Costumes, Smiles & Super Fundraising!

A huge well-done to our Reception, Year 1 and Year 2 children for their fantastic fundraising efforts in our recent Fancy Dress Sponsored Walk! The children looked absolutely wonderful in their colourful and creative costumes and showed fantastic enthusiasm, energy and determination as they took part in the walk to raise money for their school community.

We are incredibly proud of every child for getting involved and helping to make the event such a success. A very special thank you to all our families for your incredibly generous support. Your contributions will make a real difference to the opportunities and provision we are able to offer our children. What a fantastic example of our children 'Learning to Succeed' together!

Growing Through New Experiences

Chapel Hill's wonderful Reception children have been enjoying exploring our continuous provision during the afternoons. These opportunities provide children with the time and space to follow their interests, develop their independence and learn through purposeful play and exploration.

As they work and play together, the children are building new relationships, learning to collaborate and developing confidence in trying new things. It has been wonderful to see them growing through new experiences, taking on challenges, solving problems and discovering more about themselves and the world around them. We are incredibly proud of the way the children are settling into their new routines and embracing every opportunity to 'Learn to Succeed'.

Library Visits

Over the last few weeks, the children have thoroughly enjoyed their visits to the local library. During these trips, they had the opportunity to learn more about their current topics, explore a wide range of books and discover the wonderful adventures that reading can bring. It was lovely to see the children sharing their experiences and enthusiasm with their classmates, while developing an even greater love of reading and learning.
